Financial Aid

The Cashiers and Student Accounts Office determines aid deferability.
- Pay the "amount due" shown on your bill. The amounts for your Spring 2015 charges and anticipated Spring 2015 aid have been combined to produce a net amount for Spring 2015.
- All previous balances MUST be paid by December 12, 2014 and cannot be paid by Spring 2015 financial aid.
- If a third party source is paying your bill, it is your responsibility to make sure the appropriate paperwork is in the Cashiers and Student Accounts Office by December 12, 2014.
- If you are receiving Title IV financial aid, make certain you have completed the online Title IV Authorization Form. You may access this form by logging into the secure area of UNCGenie, click Student Services and Financial Aid, and then Financial Aid Title IV Authorization. Select your options for Sections A and B and click Submit.

Outside Scholarship Fund
- Scholarship checks must be received at UNCG by December 12, 2014 to defer your Spring 2015 charges.
- Official notification from scholarship donors will be accepted as anticipated credit.
- The Cashiers and Student Accounts Office will notify the students who have funds that require endorsement.

If financial aid has not been applied to your bill, it could be for one of the following reasons:
- Your financial aid file is not complete. Please review your information on UNCGenie’s Financial Aid section or contact the Financial Aid Office at 336-334-5702.
- The award type is not deferrable.
- No notification of the outside scholarship was received by UNCG.
- Your failure to meet Satisfactory Academic Progress.
- If you are using a Stafford and/or Parent PLUS loan to cover your bill, please insure that you have accepted your Stafford loan online and/or completed the PLUS process and/or Master Promissory Note online at www.studentloans.gov.
